

## ONTARIO DISTRICT 2 – REVIEWED MARCH 2014

The District 2 boundaries are made of up of 3 Little Leagues: East Nepean, Kanata and Ottawa West.

See those Leagues' map descriptions for more details, in brief:

1. The D2 West Edge is Kanata's west edge for most of it, and East Nepean's west edge at the southern most part of the west edge.
2. The D2 South Edge and D2 East Edge match East Nepean's south and east edges.
3. The D2 East edge continues up along Ottawa West's east edge.
4. The D2 North edge runs along Ottawa West's North Edge in Gatineau, and continues along the north edge of Kanata Little League.

This boundary was last changed on April 3rd, 2013 when the Charter Committee approved the redistribution of the territory of the defunct West Carleton-Arnprior Little League, and part went to Kanata Little League. On Nov 13, 2013, the Charter Committee approved the merger of Pinecrest & Carlingwood-Frank Ryan into Ottawa West, but that did not change the District's external boundaries.
